For all your last minute projects, Call Before You Dig!

Anytime you plan to excavate, including digging, **you must** use Iowa One Call. The toll-free Iowa One Call number is 1-800-292-8989. You may also dial 811.

Iowa law requires you to call Iowa One Call at least 48 hours in advance in order to minimize the risk of damaging any type of underground facilities (electric, gas, telecommunications, water and sewer). This service is free.

The law applies to professional contractors as well as homeowners, and encompasses a wide array of outdoor projects including:
