## Dubuque Fighting Saints!

The La Motte Telephone Co. is a proud sponsor of the Dubuque Fighting Saints. We will be giving away 2 tickets for each home game this year! If you would like to be entered into our drawing to go see the action, simply write the answers to these 3 questions on the back of your payment stub.

1. What year did the Saints first take the ice in Dubuque?
2. What year did the La Motte Telephone Co. first introduce the Internet?
3. Who is the head coach of the Saints?

## INTERNET TRAINING

Internet Training will be held October 6 at the La Motte Telephone Co. Classes will start at 5:45 p.m. & last 1 hour.

### Browsing & Searching the Internet:

This introductory class for new Internet users demonstrates how to use Microsoft's Internet Explorer, covers the most successful methods of making Internet searches, and how to block pop-ups and ads.

### Social Networking:

This class is designed to be a Social Networking primer. We will discuss what Twitter, MySpace and Facebook are, how they are used and the actual creation of pages within each of these applications. Demonstrations will be provided as well as discussion on privacy, etiquette and removing unwanted information from these sites.

## Benefit for the Bellevue Food Pantry!

St. Paul Lutheran Church is doing a benefit for the Bellevue Food Pantry. It will be in the LaMotte Park Pavilion on Saturday October 16 from 11 -3 pm. We will offer lunch, bake sale items, a donated item rummage sale, crafts and fall harvest items for sale by donation. The fall harvest items (pumpkins, gourds, Indian corn, squash, corn stalk bundles and more will be also available before that date from a stand on the church lot. All proceeds will go the food pantry.

# INTERNET SERVICES

We have increased our speeds, but not our prices! Give us a call today and we can find an Internet package to fit your needs.

1 Mg	\$39.95
1.5 Mg	\$49.95
2 Mg	\$59.95
Modem Rental	\$5.00
Purchase Modem	\$99.00
SecureIT Services (anti virus/spam, etc.)	\$7.00

We have been getting a lot of questions on Internet speeds. Which Internet connection speed is best for your Internet applications? That depends. Are you using your Internet for, web surfing? Online school? Watching videos? Shopping? Do you have a wireless router? Using a wireless router or having two or more computers on one connection will significantly decrease your speeds. Here are some suggestions for minimum speed use.

- Basic web surfing, light to moderate downloading, online school, .....1 Mg
- Video streaming, music streaming..... 1.5 Mg
- Video/movie watching, heavy downloads.....2 Mg
