

Know What's Below. Call Before You Dig.

Protect Underground Utilities La Motte and Andrew Telephone Company has fiber optic cable in the ground. As you plan to complete fall projects before winter, remember to call Iowa One Call before doing any digging.

You are financially responsible for replacement or repairs for any damage to telecommunications pedestals, vaults, cabling, signage, and/or plant electronics while mowing, digging, or burning. *No exceptions.* When fiber optic cable is involved, damage can quickly amount to \$10,000 or more *per incident.*

Such damage can also result in service outages to you and your neighbors.

Plan Ahead Iowa law requires anyone doing ANY digging to call in a locate 48 hours in advance (not counting weekends and holidays) to Iowa One Call: 1-800-292-8989 or 811.

**Iowa One Call
is a free service
to you.**
